Geachte heer Oudmaijer, 6-7-2010

Allereerst wil ik u, mede namens de vertegenwoordigers van de CBRN-SPR's, BZK en LFR, danken voor uw heldere en duidelijke uiteenzetting over de resultaten van het door u uitgevoerde onderzoek naar de effectiviteit van de DeCo-unit op donderdag 1 juli jl. te Groningen.

Met vriendelijke groet,

J. Heukelom

"Huub is a pragmatic and creative person, but also goal-oriented. I admire his positive attitude and his way of finding solutions. He is always eager to learn new things from his solid base of experience. I learned a lot from him during the years I worked with Huub."

Monique Oldenburg, March 28, 2010

"Huub is very proficient in account management and business development. In the past years he has shown to rapidly identify market propositions. Due to his expert knowledge of the CBRN area and communicating skills, Huub has translated many challenges of customers into projects with added value in the area of homeland security and for industrial companies."
